By proclamation of Gov. Leslie, all were closed Tuesday as a mark of respect to the memory of the deceased ex-President.

fall market this year.

An American, arrested for extradition in England in 1862 for an offence against his judges.

IT is noticed that the official debt statement for August gives no indicasilver bullion, lumping gold and silver lows: together as "coin." In view of the dif. ference in the value of the two metals, this is rather loose book-keeping.

THE first issue of National Bank notes printed on distinctive paper will in the Megal tender, National Bank notes and fractional currency will hereafter be uniform and distinctive. There still remains on hand sixty millions of bank note currency printed on

THERE is said to be but one step

THE Cincinnati Commercial says: There are some signs of a concerted movement to force a United States intervention in Cuban affairs. The Cuban sympathizers in the press have broken out recently with fresh vigor. A considerable number of American newspapers have long been committed to what is called intervention on the side of humanity in the guerrilla warfare between Spain and her richest colony, but which really means intervention looking toward the absorption

ing of the rails under the influence of the rays of the sun. An instance was given of this kind in Nevada, the other their position, and even to draw the spikes from the ties. It was necessary ers avoid this danger from expansion by leaving a space between the ends of

POSTMASTER ABBOTT, of Larzmie showing for the P. M. He accepted a monthly stipend of \$100 from a lottery schemer as a consideration for non-interference with his mail, and for promptly forwarding it to Omaha. Abbott represents that he received the money for the payment of an extra clerk, necessited by the large amount of mail matter incident to the lottery swindle, but the special agent ascertained that no such extra clerk was

Tourists who visit Colorado the present summer have been surprised to find, instead of the dry, clear atmoscar in any of the Atlantic States. Inoften as it does in the States.

THE latest suggestion about the next Presidential contest is made by a Washington correspondent of the Boston Herald. He thinks that if the two "great parties" nominate weak men, as they are likely to do, there will arise a splendid opportunity for a a very small charge upon the corpora- of her financial condition and her lack "Centennial President, nominated and elected without convention or partisan combination - the people's choice.' The correspondent thinks all the "greater" newspapers of the country would support such a candidate, and that his name would inevitably be Charles Francis Adams. We have terday, that none of the gentlemen who bles-men who will speak cheerfully heard of something on that plan once or twice before, and have in fact seen by Gov. Porter as temporary successor it tried by the "greater" newspapers. to the deceased, but that the honor will BURIED IN AN ELECTRIC CLOUD Somehow it always culminates in an Adams and a failure.

THE St. Louis Disputch has got matters mixed up dreadfully. It asserts escaping the importunities of candithunder and lightning suddenly encornthat "a preacher is not necessarily a dates." Christian any more than a politician is necessarily a states ann. As Radicaltian Church, the instructions of the to fill Mr. Johnson's shoes." apostles, the plain precepts of the Bible. As Radicalism saw fit to interpret the Constitution in accordance with its own ideas, and to reconstruct that sacred instrument to suit itself: so has Beecherism bent the Bible to answer its own ends, warping and perverting its most evident meanings, and the holy volume." The Disputch goes ing coupon of July, 1869, "ex coupon" on in this antithetical parallelism to July, 1875, only, "New Series," the What an enormous head ache he must have the extent of a column or more.

FINANCE IN POLITICS. The New York Bulletin well says that,

as the discussion of the currency quesolina are selling in New York at \$5 per to lapse into a mood of disgust, and pleasure trips, but it appears to be incan command until the wild babble of says: condending theorists has subsided. the public offices at Frankfort, Ky., The opposite sides have taken the very sublimated it may appear, has never-SEMPRONIUS, Cayuga county, N.
